About Turbotec:

Turbotec is the holding company for Turbotec Products Inc, ("TPI") an established, profitable, specialist engineering business, based in Windsor, Connecticut, USA. TPI's business is the design, manufacture and marketing of technologically advanced heat exchangers and value added metal tubing, components and systems for a range of industries including the heating, air conditioning and refrigeration industries. Through its proprietary manufacturing processes TPI is able to convert mill purchased metal tubing into special purpose spirally fluted (twisted), grooved and coiled tubes and components that are sold to its customers for use in their end products.
